Re: Mining Mailing List

Dear Mr. Ross:

In regards to our Mining Mailing List we have received many differing addresses for the U.S. Steel Corporation. The two addresses currently on the list are:

1. U.S. Steel Corporation
Mr. J.K. Hayes
P.O. Box 510
Provo, Utah 84601
2. U.S. Steel Corporation
Mr. Robert Ross
Keigley Quarry
R.D. #1 - Box 20-B
Santaguin, Utah 84665

As we wish to cut down on duplication of efforts please advise as to whether or not you desire the Lander, Wyoming and the Pittsburgh, Pennsylvania office included as well.

Publications received by those on the list are the Monthly Notice of Intent to Commence Mining and all other pertinent mining information.

Yours truly,

Luan Mahoney
